Hi Annmarie,

Please see the policy change request below for Green Lion Lawn Care LLC DBA Lawn Buddies:

POLICY INFORMATION:

- Named Insured: Green Lion Lawn Care LLC DBA Lawn Buddies
- Carrier: Plymouth Rock Assurance Corp (Palisades Insurance Company)
- Policy Number: PAC00001215485
- Policy Term: 11/26/2025 to 11/26/2026

CHANGE REQUESTED: Commercial Driver Addition & Eligibility Review

- Full Legal Name: Jackson Christopher Cocozello
- Date of Birth: 11/20/1999
- Driver License Number: C6062 38063 11994
- State of Issuance: New Jersey (NJ)
- Residential Address: 1 Deer Ln, Lincroft, NJ 07738-1705
- License Class: Class D (Auto)
- Expiration Date: 11/20/2029
- Special Notation: INTERLOCK DEVICE (Scheduled for removal this week)

UNDERWRITING INQUIRY:

The insured is looking to hire and add Jackson Cocozello as a driver to their commercial auto schedule. His current NJ license reflects an "INTERLOCK DEVICE" notation; however, the driver advises that the interlock device is scheduled to be removed this week.

Could you please review his eligibility? Specifically:

1. Can underwriting pull the MVR and review his record for approval now while the removal is underway?
2. Or does the insured need to wait until the NJ MVC officially clears the notation and issues an updated, unrestricted license before he can be submitted and added to the policy?

Attached is a copy of his current New Jersey driver's license for your review.

Please advise on carrier eligibility and next steps.

Thank you,
Carlo Ferrara
