WORKERS' COMPENSATION POLICY RENEWAL INFORMATION

Dear Policyholder:

Enclosed is your **renewal quotation** based on the latest payroll and classification information available to us. However, payrolls may be increased in accordance with market conditions. Your renewal premium may require future adjustments resulting from changes in workers' compensation insurance rates, surcharges, experience modification factors or other programs approved by your state.

- ***To avoid a lapse in coverage, your renewal payment must be received prior to the expiration date shown on the enclosed bill.*** If payment is not received prior to the expiration date, either the policy will be issued with a lapse in coverage or your premium check will be returned and no policy will be issued, depending on the rules of your state.
- All premiums billed under your expiring policy must be paid before your policy can be renewed. If any outstanding premiums have not been paid, please remit them immediately.
- Any request to change payrolls or other information displayed on this quote should be immediately submitted on your company letterhead explaining the reasons for the change. Appropriate supporting documentation and/or tax forms are required for any payroll change requests. If applicable, the new premium deposit should be calculated and the required payment must be received prior to the expiration date.
- Your state may require that advance notice of coverage termination be filed with the workers' compensation insurance administration office. Therefore, if applicable, we have filed the coverage termination notice with your state. If the required payment is received prior to the expiration date, we will rescind the coverage termination notice.

- Sole Proprietors and Partners (including LLP or LLC) may elect annually to be covered for workers' compensation under the New Jersey Workers' Compensation Act. The attached Notice of Election form must be completed, signed and returned with the renewal premium. The election of coverage will require a premium adjustment which will increase premium in order to reflect the duties and remuneration of the proprietor or partners. If the completed Notice of Election form is not returned with the required renewal premium, the renewal policy will be issued with the same coverage option as the previous policy.
- Certificates of insurance are term specific and will not automatically carry over to your renewal term. If a certificate of insurance is required for the renewal term the request must be submitted in writing.

INSTALLMENT OPTIONS

The renewal quotation deposit is based upon the installment basis from your prior policy. Per the schedule below, if you qualify for a different installment basis and want to change your option, please remit the appropriate deposit based upon the quoted estimated annual premium.

NOTICE OF ELECTION – PROPRIETORS AND PARTNERS WORKERS' COMPENSATION AND EMPLOYERS' LIABILITY INSURANCE

This notice must be completed if any entity is operated as a proprietorship or any type of partnership including a limited liability partnership or limited liability company.

The New Jersey Workers' Compensation Law was amended effective April 13, 2000. The amendment permits **election** by a self-employed person or partners of any partnership including partners of a limited liability partnership and members of a limited liability company actively performing services on behalf of the business to be deemed employees for the purpose of receipt of benefits and the payment of premiums. This election does not affect the insurance obligations for employees other than the self-employed person, partners or members.

The election must be made at the time the policy is purchased or renewed and must be effective at the inception date of the policy. It is important to note that the election cannot be rescinded during the policy period and that in the case of any partnership including a limited liability partnership or limited liability company, **ALL** of the partners or **ALL** of the members must elect the coverage. You will be required to pay a premium based on the remuneration and duties of the self-employed person or each partner or each member.

The insurer or insurance producer shall not be liable in an action for damages on account of the failure of a business, limited liability partnership, limited liability company or partnership to elect to obtain workers' compensation coverage for a self-employed person, limited liability partner, limited liability company member or partner, unless the insurer or insurance producer causes damage by a willful, wanton or grossly negligent act of commission or omission.

To elect coverage, it will be necessary to complete ALL of the information requested below. This completed form must then be returned. A copy of the Notice and proof of mailing should be retained for your records. If you received this form in relation to a renewal of insurance, and fail to execute and return it to the insurer/producer, coverage will continue as per the expiring policy.

Terrorism Risk Insurance Program Reauthorization Act Disclosure

The federal Terrorism Risk Insurance Act of 2002, as amended and extended by the Terrorism Risk Insurance Program Reauthorization Act of 2019 ("TRIA"), establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). "Act Of Terrorism" is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States, as meeting all of the following requirements:

- a. The act is an act of terrorism
- b. The act is violent or dangerous to human life, property, or infrastructure
- c. The act resulted in damage within the United States, or outside the United States in the case of the premises of United States missions or certain air carriers or vessels.
- d. The act has been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is established by TRIA and is a percent of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA). For the period beginning January 1, 2021 and ending on December 31, 2027, if the aggregate industry Insured Losses occurring in any calendar year exceed \$200,000,000 million, the United States Government will pay 80% of our Insured Losses that exceed our Insurer Deductible.

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100,000,000.000, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100,000,000.00 0 in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

The charge for such Insured Losses for Workers Compensation and Employers' Liability coverage is an additional premium, which is reflected in the premium schedule and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA.

Coverage	Included Charge For Insured Losses
Workers Compensation and Employers Liability	See Workers Compensation and Employers Liability Premium Schedule

Note – Terrorism premium charges are subject to change at any time based on state regulatory action.
