NEW JERSEY CHANGES – PHYSICAL DAMAGE INSPECTION

For a covered "private passenger auto" licensed or principally garaged in New Jersey, this endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by the endorsement.

The following provisions are added to **Physical Damage Coverage** and apply in place of any conflicting policy provision:

A. Changes In Physical Damage Coverage

Mandatory Inspection For Physical Damage Coverage

1. We have the right to inspect any "private passenger auto", including a non-owned "private passenger auto", insured or intended to be insured under this Coverage Form, before Physical Damage Coverage shall be effective.
2. During the term of the Policy, coverage for an additional or replacement "private passenger auto" shall not become effective until the "insured" notifies us and requests coverage for the "private passenger auto". However, if the "insured" replaces a "private passenger auto" insured with us for at least 12 months before the replacement date with a "private passenger auto" acquired during the policy period, we will provide the same coverage which applied to the replaced "private passenger auto" for three days beginning on the date the "insured" acquires the replacement "private passenger auto". We will also provide an additional day of coverage for each Saturday, Sunday or New Jersey state holiday falling within the three days. After three days, coverage will not apply until the "insured" notifies us and requests coverage for the "private passenger auto".
3. When an inspection is required by us, the "insured" shall cooperate and make the "private passenger auto" available for the inspection.

B. Changes In Definitions

As used in this endorsement:

1. "Occupying" means in, upon, getting in, on, out or off.
2. "Private passenger auto" means:
 - a. A private passenger "auto" of a private passenger or station wagon type that is owned or hired and is neither:
 - (1) Used as a public or livery conveyance for passengers including, but not limited to, any period of time an "auto" is being used by any person who is logged into a "transportation network platform" as a driver, whether or not a passenger is "occupying" the "auto"; nor
 - (2) Rented to others with a driver; and
 - b. A motor vehicle with a pickup body, a delivery sedan, a van, or a panel truck or camper-type vehicle used for recreational purposes owned by an individual or by husband and wife who are residents of the same household, not customarily used in the occupation, profession or business of the "insured" other than farming or ranching. An "auto" owned by a farm family co-partnership or corporation, which is principally garaged on a farm or ranch and otherwise meets the definitions contained in this section, shall be considered a private passenger auto owned by two or more relatives resident in the same household.

3. "Transportation network platform" means an online-enabled application or digital network used to connect passengers with drivers using vehicles for the purpose of providing prearranged transportation services for compensation.
