Subject: Follow-Up: Policy Change Request - Remove 2011 Dodge Ram VIN 8133 - Policy #73TRB006541 / #73TRB005886 - Final Touch Logistics, LLC

Hi Jennifer,

We received Brendan Hagan's out-of-office message stating he is out on paternity leave, directing commercial fleet requests to you and Mary.

We are following up on the policy change request to remove the 2011 Dodge Ram (VIN ending in 8133) for Final Touch Logistics, LLC under Policy #73TRB006541 (previously referenced under #73TRB005886 - AL).

We note that Lloyd's of London endorsement credit memo ENDT 003 was issued with an effective date of 07/07/2026 generating a return premium of \$424.00. Could you please provide the corresponding amended policy declarations page / formal endorsement schedule confirming this vehicle removal for our agency records?

Thank you for your assistance, and congratulations to Brendan!

Best regards,
